Help us Continue our Mission to find loving forever homes for homeless, abandoned and injured cats.

- We have rescued over **20,400 cats and kittens** since inception in 1999.
- The Rescue House is a 100% volunteer-ran organization with no fixed facility costs. As such, all money raised goes directly to medical care for the kitties.
- We currently have over **220 cats and kittens** in our care, with many others still needing our help.

Our Goal is to Raise $50,000 for the kitties! We would greatly appreciate your support!
